Fin to Gill

The menus at Kima are thoughtfully crafted using the finest ingredients, sourced both locally and from Greece, with a strong focus on sustainability and premium quality.

Inspired by the daily catch and the 'use-all, waste-not' philosophy, the menus utilize every part of the fish, ensuring that nothing goes to waste and every dish bursts with flavour.

The delicate fillets are used for raw and cooked preparations, the heads and collars are grilled, and the bones are used to create flavourful broths.
